Why: While we all share a passion for golf, our families share a strong passion for finding a cure for Parkinson's disease (PD). In 2003, the Gorski Family lost Andrew Namoski to the disease and in January 2013, Dorothy A. Miller passed away after battling Parkinson's disease for fifteen years. We are holding a golf outing in their name to not only honor their lives but to take a stand against this debilitating disease. It is our goal to raise over \$13,000 this year for the Michael J. Fox Foundation. Our inaugural outing in 2013 was an overwhelming success, raising over \$12,000 with help from charitable donors like you. To aid us in this endeavor, this event is being co-sponsored by Doug Gigliotti and "Kick-off for a Cure". Doug shares our strong desire to find a cure for PD as he has been living with this terrible disease for over 17 years. Please join us a part of Team Fox to raise money and awareness for the Michael J. Fox Foundation so that people will no longer have to battle this daily fight with Parkinson's Disease. All proceeds of the event will go directly to Michael J. Fox Foundation.
